A Note from the Principal!

I welcome you to Central Middle School (CMS) and to another successful school year. We are committed to our students and parents for academic excellence, developmental responsiveness, and social equity. Our guiding vision is the values of Honesty, Integrity, and Responsibility in all that we say, write, and do every day. Along with your partnership, we will further advance our school of excellence for the development of all CMS students. I have three core beliefs about middle grades education:

- Student Development and Achievement is our primary purpose and we must be accountable for all students' learning and growth at high levels
- Parent Engagement supports that facilitates the educational process while setting a personal and character development standard for students
- The Teaching and Learning Environment is the pathway to establish positive school experiences and to motivate students to dream big and work hard

These beliefs guide my educational decisions and help me set a foundation on which to develop school improvement goals. Combined with good communication, I have found these beliefs to be of value in supporting a child-centred learning environment. I welcome all ideas, suggestions, and opportunities to enhance the educational environment and culture in our school.

There are several ways to keep "In the Know." For the latest announcements please make sure you check the school website on a regular basis. Please take time to sign up for our e-newsletter, and importantly, please check your child's grades on Power School on a regular basis. Lastly, please contact me if you have questions. I can be reached by email at darrin.demale@rdpsd.ab.ca or by phone at [403-346-4397](tel:403-346-4397). I believe in an open door policy and I look forward to meeting each of you.

It is a privilege to be your Principal at Central Middle School. I look forward to a great school year. GO CYCLONES!

Yours Sincerely,

Darrin DeMale

SPIRIT SEEKERS

Spirit Seekers is returning on Sept 20 after school (3pm-5pm)! Spirit Seekers is an 8 week program for anyone wanting to engage more in Aboriginal Culture! We will be having drumming circles, POW WOW, medicine wheel teachings, feasts, aboriginal games, having elders come and teach, and so much more!

Crumbs from the Breakfast Program

Our breakfast program is available to any student who feels the need for something to eat when he or she arrives at school in the morning. This means that the students themselves assess whether or not they wish to eat any of the daily offerings. We strive to offer a balance of healthy breakfast items such as: yogurt, cheese, milk, juice, fruit, hot and cold cereals, and bread products. We welcome donations of non-perishables items like 1L fruit juice, Cheez Whiz, jam, instant oatmeal, nut free granola bars. You can drop them off at the office or at the snack shack during breakfast program.

Our program is entirely volunteer-run and funded by donations from parents, our community, and sometimes our students!

The program will start on Monday, September 11th. We have experienced volunteers committed to helping again this year; however, more are required in order to run the program on a daily basis, and to spread the fun around! A commitment of a few hours each month is all that is required. Shifts are from approximately 7:30 a.m. to 8:30 a.m.

Please contact Shireen Anderson-Kuprowski or Kristine Plastow if you are interested in this rewarding opportunity. Include your complete contact information, and the specific day(s) of the week that work best for you. Thank you.

School fees 17/18

Red Deer Public Schools will further reduce school fees paid by families for the 2017/18 school year after the Board amending its budget at the end of June.

While the provincial government has provided support totaling \$780,000 to reduce school fees, it did not eliminate all fees. The Board of Trustees agreed to go further in reducing the burden on families by eliminating more fees that will cost the District an additional \$300,000 next year. In doing so, the District amended its 2017/18 budget by incurring a \$300,000 deficit. Prior to the change, Red Deer Public had submitted a balanced budget.

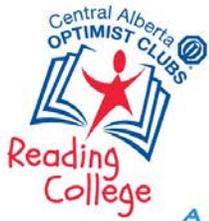

In making the change, Red Deer Public is offsetting the costs of optional fees not covered by the province. The Board wanted reduce barriers to ensure all students have access to option courses.

While the move will ensure families do not pay fees for regular instructional materials and resources, it is important to note that there will still be some fees charged to students as noted in the following table.
