Student safety is always a top priority for the staff of Central Middle School. We also recognize that “idle and unsupervised time” for students can result in some of our students becoming engaged in activities which may cause them personal harm.

It is expected that students will leave the school premises **immediately after school**, unless they are under the direct supervision of a teacher, or are watching a supervised activity in the gymnasium. Students will **not** be permitted to wait for a ride, for an extended period of time, as we do not have staff available to supervise. Students will be obliged to wait outside after 3:15pm.

Hand Held Devices/Cell Phones

Appareils portatifs/Téléphone portable

Students are allowed to have hand held devices with them at all times, but can only use them in class at the teacher's discretion. They can also be used before school, at lunch, or after school. Texting, facebooking, and snapchatting during class time are grounds for taking your phone for a day or more.

Students needing to make urgent calls may use the student phone in the office, or on their own phones during class breaks. If parents or others need to contact students because of an emergency, they are welcome to call the school, and their child will be contacted.

Consequences for students:

1st Offence: The teacher will confiscate the hand held device. Students will then need to pick up their device from the office at the end of the day.

2nd Offence: The teacher will confiscate the hand held device. The student's parent or guardian will then have to call the office before the device is returned to the student.

3rd and Following Offences: We will view the third offence as defiance. The parent must pick up the device from the office.

*Continued discipline issues surrounding unacceptable device use will result in the loss of privilege in accordance to District Acceptable Use Agreement.

Student Code of Conduct

In accordance with the provisions of the School Act and School Board Policy, students in the Red Deer Public Schools are expected to:

- Demonstrate their commitment to maintaining a safe and caring school.
- Demonstrate desirable personal characteristics such as respect, responsibility, fairness, honesty, caring, loyalty and commitment to democratic ideals.
- Be diligent in pursuing their studies.
- Attend school regularly and punctually.
- Cooperate fully with everyone authorized by the Board to provide education programs and other services.
- Comply with the rules of the school.
- Account to their teachers for their conduct.
- Respect the rights of others.

In so doing, students are expected to promote and maintain a climate that is free of:

- Cheating
- Harassment
- Illegal substances
- Intimidation
- Lying
- Obscene or profane language

- Prejudicial behaviour
- Theft
- Violence
- Weapons

Student conduct that violates the expectations listed above, or that adversely affects a school's climate or operation, including disruption of the learning environment, shall be considered a breach of the Code of Conduct, warranting appropriate forms of intervention that may include suspension or expulsion from a particular school, instructional program, school activity or transportation service.

Student Dress Code/Code vestimentaire des élèves

Why a dress code? At CMS we believe a dress code assists with creating a safe learning environment. A dress code encourages focus in the classroom. In addition, fashion choices make a personal statement about values. We ask our students to be mindful of the values they are presenting through their appearance. This dress code applies to ALL school-sponsored events, including sports, field trips, dances, and on-site events.

DO'S

- Footwear must be worn.
- Undergarments should not be visible.
- Shirts must cover appropriately (no low-cut necklines).

DON'T

- Wear clothing with negative language, symbols, or inappropriate content such as alcohol, marijuana leaves, inappropriate cartoon characters, innuendos or obscene gestures.
- Wear revealing clothing – this could include but is not limited to some of the following: halter tops that reveal visible undergarments, spaghetti strap tops and/or strapless clothing (top of shoulders, chest, and back to be covered).
- Have undergarments visible (including straps).
- Wear shirts with a low cut or plunging neckline.
- Wear any headgear including hats, toques, bandanas, hoodies pulled over the head. These should be removed upon entering the building.
- Wear outdoor jackets in class.

Students in violation of the above will be asked to change or arrange to have other clothing brought to school. We recognize and respect the wide variance in taste and acceptability that is part of our society outside of the school, but within the school we feel that it is our responsibility to balance individual freedom with the influences this may have on others in the school.

Upon entering the school, students must remove all headwear. Hats and jackets are to be left in lockers during instructional times. Hats worn to classes will be stored in the office and returned at the end of the day (or longer in the case of repeats). Students will face consequences for repeat offences.

A good rule of thumb regarding clothing is if you are not sure whether it would meet dress regulations please do not wear it.

Cold Weather: All students must have proper clothing for going outdoors in cold weather. We go out at activity time and there are many excursions during the day that require warm clothes.

Absolute No-No's/Choses des interdites

It is of critical importance that students not bring articles to school that may pose a safety risk or be offensive. **The following is a list of a few items classified as contraband:**

- weapons (including all kinds of knives) • laser pointers • matches • lighters • energy drinks • toy guns • tobacco products • illicit drugs/alcohol

Students must not bring these or similar items to school under any circumstances. If these items arrive at school, they will be confiscated, and consequences will be given.

Possession of contraband items may result in suspension from school with a recommendation for expulsion.

Students who **smoke or chew tobacco** in the school or on the school grounds may be subject to a school suspension. Students who have **drugs or alcohol** in their possession or who are under the influence of drugs or alcohol in school or at a school related activity will be **suspended**. In all cases, the **grade administrator will notify parents**.

Bikes, Skateboards & Rollerblades

Vélos, planches à roulettes, patins à roués alignées

Bicycles should be parked in the bicycle rack immediately upon arrival at school. It is recommended that bicycles be locked to the bike rack as a precaution against theft.

Skateboards and roller blades are to be kept in lockers and may be used on school grounds until 8:15am, during lunch break and after school.

If using skateboards, scooters, rollerblades or bicycles, students are expected to wear a helmet on school property as well as going to and from school. If a student is caught without a helmet, his/her means of transportation will be secured at school until he/she has a helmet, or the item will be held until either the student has arranged to transport the item home or a parent has picked up the item.

Skateboarding is permitted in the area designated on the north side of the school at designated times (between the school and the school board office).

Dances/Danses

School dances are held on various occasions throughout the year and are open to those students currently registered and in good standing at Central Middle School. The school dress code is in effect for all dances.

No outside visitors are allowed.
