

At École Intermédiaire Central Middle School , we pride ourselves in offering every opportunity for our students to learn and grow as individuals during their time in our building. For many, this involves finding ways to take charge, to help out and give back. These are our CMS Leaders. Whether it be in Leadership Class, or in other leadership opportunities around the building, CMS Leaders are recognized for their commitment to one or more of these three areas:

- Service to school
- Service to community
- Service to world

Our CMS Leaders are committed to making our school, our city and our world a better place to be, through any contribution, large or small. CMS Leaders can be found volunteering their time to support teachers and athletics, cleaning up around the school, helping run and operate school events, and many other places. We work in conjunction with WE Schools to highlight such events as WE Day and Hats on for Mental Health Awareness. Our student-led fundraising efforts also support WE Initiatives around the globe that improve conditions in poverty-stricken countries.

At École Intermédiaire Central Middle School , we pride ourselves in creating a school culture that is caring, inclusive and positive for all our students. CMS Leaders help set the tone of a school that is preparing our students to lead in the future!
